Admiral Stansfield Turner
Director of Central Intelligence
Washington, D. C. 20505

Dear Admiral Turner:

On behalf of the Los Angeles Area Chamber of Commerce we extend a most cordial invitation to you to be the guest speaker for the XX Annual Aerospace Luncheon. We would be most happy to arrange our luncheon plans to accommodate whichever of these dates would be most suitable for your schedule: July 15, 22, or 29, 1977.

As the principal business organization of the southwestern states, one of the Chamber's prime interest and concern has been focused on our all-important aerospace industry. The purpose of the Aerospace Luncheon is to give special recognition to the aerospace segment of the industrial complex in the Los Angeles area. Our committeemen consider you to be the most relevant speaker for approximately 1,000 attendees from the business community that are expected to be present.

We hope that you will be able to accept our invitation and we look forward to a favorable reply at your earliest convenience.

Sincerely,

Matthew Portz
Chairman
xx Aerospace Luncheon Committee
